Nanjing University of Aeronautics & Astronautics

International Prospectus 2018
WELCOME TO NANJING UNIVERSITY OF AERONAUTICS AND ASTRONAUTICS (NUAA)

Nanjing University of Aeronautics and Astronautics (NUAA) is one of China’s premier learning and research institutions. NUAA has developed into a comprehensive, research-based university that excels in many aspects of engineering (particularly in Aeronautics, Astronautics and Mechanical Engineering) sciences, Economics and Management and many others.

NUAA is among the first batch of national key universities entitled to award doctoral, postgraduate and undergraduate degree. We are one of the 55 universities with graduate school in China. NUAA has also been listed under the “National Project 211” universities.

At NUAA you will find an international community of learners and researchers in the city of Nanjing on China’s east coast. We were one of the first universities in China to offer Engineering and Business programs taught in English medium. Our graduates use their NUAA education all over the world: in the air, in space and also under the ocean.

President Prof. Nie Hong
Nanjing University of Aeronautics and Astronautics (NUAA)
NUAA AT A GLANCE

Established in 1952
Subordinated to the China Ministry of Industry and Information Technology.

Research Oriented
One of the top research oriented universities in China, with more than 56 research centers.

Programs Taught in English
55 Postgraduate programs (Masters and PhD) and 5 Undergraduate programs delivered 100% in English.

World’s Top 150-200
QS Subject Ranking
Aerospace and Mechanical Engineering

World Class Campus
State-of-the-art facilities located on a beautifully landscaped campus.

Cosmopolitan University
More than 1100 International students from 80+ countries.
“Over 28,000 total students.”

Two Campuses
They are easily connected by Nanjing Metro and University Shuttle bus. Easy access to Airport, High Speed train station and city center.

Going Global
Collaboration with 80+ universities worldwide for student & staff exchange and dual degree program.

Top 15
Universities in China
Research Grant per Faculty Member

Universities in China
Civil Aviation, Aerospace & Mechanical Engineering
LEADING RESEARCH

AIRCRAFT DESIGN
NUAA has strong research initiative focused on Aircraft design. Forming a comprehensive system in research and exploring Advanced Design Technology of Flight Vehicle, New-Concept research and Engineering Model Development. NUAA has been leading the domestic level in the fields of Helicopter and Unmanned Aerial Vehicle.

POWER ELECTRONICS AND POWER DRIVES
Research areas involving Air Power, Power Conversion and Special Motor Technologies have exerted great domestic influence; some of the prototype performances have even reached the advanced international level.

STRUCTURAL MECHANICS AND CONTROL
The Structural Mechanics and Control research center represents the highest level of Aviation Technology research in China. It is primarily focused on Nonlinear Dynamics and Control, Analysis of Aircraft Structure Dynamics and Control, Ultrasonic Motor Technology, Intelligent Structures Applied in Aircraft, Unsteady Aerodynamics and etc.

ADVANCED MANUFACTURING
Research on advanced manufacturing at NUAA takes the leading domestic position in Premise micro-fabrication, Curved Surface Modeling, Modeling and Fabrication of Titanium Structure, Machining of difficult-to-cut metals and Special Working Technology, Technology of Digital Assembly and Automated Placement Technology of Composite and etc.

NAVIGATION, GUIDANCE AND CONTROL
NUAA’s research work on navigation, guidance and control has progressed a lot in the recent years, the main research are focused on fields as Airborne Precise Autonomous Navigation, Advanced Flight control & simulation, Smart self-repairing and Control and etc.

GLOBAL PROGRAMS

Students at NUAA have the opportunity to go further. We offer different global programs with our partner universities.

Be it Dual Degree program, Semester Study Abroad Program or Summer program, these programs will no doubt be the stepping stone towards global awareness. Students can not only gain vital experience on new cultures, new challenges, different academic approach but it will also be one of the most memorable event in their life time.

Currently we offer dual degree programs with the following universities:

UK
1. City University, London
2. Manchester University
3. University of Edinburgh
4. The University of Nottingham

USA
1. Purdue University, Calumet
2. Embry Riddle Aeronautical University

GERMANY
1. NUAA–TUHH, Dual Masters Degree

FRANCE
1. SUPELEC, Dual Masters Degree
2. ISAE, ENSMA and ENAC
3. IESEG

AUSTRALIA
1. RMIT University
2. University of Western Australia
3. University of Western Australia

Incoming Dual Degree Students.
1. Alliance University, India 2+2 Degree

We also give students abundant opportunity for experiencing Summer program and Semester study abroad program. For details about our global programs, please visit our website at http://ciee.nuaa.edu.cn
Going on study in China is an experience of a lifetime! It has broadened my global perspective to live in another country, understand another culture, and meet a diverse range of people.

China is an amazing country and NUAA is a perfect environment to gain skills and tools, that will help you to achieve significant life goals! NUAA is a vibrant community that offers endless possibilities. No matter what your interests are, whether you like sports, culture, entrepreneurship or socializing. I have awesome experience that allows me to empathise with other cultures as well as develop a deep appreciation for cross-cultural communication.

Anastasiia Sapielnikova
Ukraine

Getting admission in NUAA is an honor for me. I was offered Nanjing Government Scholarship by NUAA. Studying in NUAA is the beginning of my career. NUAA has full of opportunities for International Students. Besides study, there is abundant option for sports, entertainment and other activities.

Life in NUAA is one of the best parts of my life ever here I learned many things. I met different people. I came to know about different countries, different cultures, different civilizations and different languages. I have brought something from my home country and NUAA gave me a platform to share them.

Ali Qadir
Pakistan

Getting admission in NUAA has has been unique, being able to study in such a marvelous country with classmates from around the world and to know how they contribute to worlds development is incredible. NUAA has given me that opportunity.

Samantha Munoz
Ecuador

VIBRANT STUDENT LIFE

1 LEARN
Students at NUAA gets the best infrastructure and resources for all the learning needs in order to succeed in their college life and future.

2 CONNECT
A key to a successful college experience starts by finding ways to get involved in campus life. NUAA offers great resources to all the students in order to get the best during your time here. There are numerous events, clubs and communities, organizations to help you connect with other students.

3 LEAD
Developing and maintaining leadership skills is an essential step during your time in campus and beyond. We help and facilitate students with many opportunities to explore and sharpen leadership skills.
UNDERGRADUATE PROGRAMS
Programs delivered in English

B.E AERONAUTICAL/ AEROSPACE ENGINEERING
This program aims to train the students for design and development of flight vehicles, such as aircraft, missiles, spacecraft and satellites. Students will also have a profound knowledge of other vehicles and systems.
Duration: 4 years

B.E MECHANICAL ENGINEERING
This Program fosters young talents with fundamental knowledge of state-of-the-art and evolving areas associated with the mechanical engineering field. Students will gain the vital knowledge and ability to design and conduct experiments, analyze data, utilize statistical methods, solve open-ended design problems.
Duration: 4 years

B.E ELECTRICAL AND ELECTRONICS ENGINEERING
Electrical/electronic engineering graduates are qualified for professional practice or graduate work in several areas of specialization. This provides a solid background in circuits, analog and digital electronics, microprocessors, and electromagnetics.
Duration: 4 years

B.E SOFTWARE ENGINEERING AND MANAGEMENT
This degree program is broadly based to prepare you for a wide range of professional careers. As a graduate engineer, you will be able to deal with anything from power engineering to microelectronics, radar installations to the design of digital systems.
Duration: 4 years

BAChelors iN iNTERNAtiOnAL BuSiNESS
This program aims to train students who have profound interest in business & management, and can be engaged in international business in integrated economic management departments, transnational corporations, various types of foreign trade enterprises and government agencies after graduation.
Duration: 4 years

Fang Xiangde
Professor
College of Aerospace Engineering

Xue Jianbin
Associate Professor
College of Mechanical and Electrical Engineering

Fu Dafeng
Professor
College of Automation Engineering

Wei Ou
Associate Professor
College of Computer Science and Technology

NUAA offers Chinese Language Program for students seeking to improve and prosper on all the skills of Chinese language. We have carefully constructed our course with years of experience on training foreign students. Students will get first hand experience in different aspect of language learning.

**CORE COURSES**
- Comprehensive Chinese
- Basic Chinese Speaking
- Basic Chinese Reading
- Introduction to China

Han Yajun
Chinese Language Coordinator

**PATHWAY:**
- 6 Months Foundation Program + 4 Years Undergraduate Degree

**SESSION:**
- 2018 March (Foundation) + 2018 September (Undergraduate Degree)

**WHO ARE ENCOURAGED TO JOIN THE “NUAA FOUNDATION PROGRAM”??**
- Students who are waiting for their high school degree.
- Students with more than 2 years gap after high school graduation.
- Students aged 17-25 who wishes to pursue undergraduate degree

**WHY NUAA’S FOUNDATION PROGRAM:**
- After completion of the course you can join the Undergraduate Degree Program.
- Transfer up to 6 credits towards your Undergraduate Degree Program
- Learn Chinese Culture (Trips to different scenic spots and other activities)
- You are guaranteed accommodation in university’s on-campus housing for international students.
- Nanjing is one of the most vibrant cities in China with a nice balance of history and internationalization.

**CORE SUBJECTS:**
- English Fundamentals
- Chinese Culture and Introduction to China
- Mathematics
- IT Essentials (Lab and course work)
- Physics/ Economics
NUAA will not just be the next stage in your education; it will also be a home away from home.

NUAA will guarantee a place on campus (International Students dormitory) or off-campus (university managed) housing to all the registered International students.

A typical student dormitory flat consists of 3 to 4 air-conditioned bedroom and a common living room equipped with a TV. Students will have easy access to basic necessities like Internet, telephone, hot/cold shower, kitchen, washing machine etc.
## Tuition Fees & Expenses

### Undergraduate Tuition Fees
- **Engineering or Business**
  - Per year: CNY 21,800 (taught in Chinese)
- **Engineering**
  - Per year: CNY 23,900 (taught in English)
- **Business Studies**
  - Per year: CNY 22,900 (taught in English)

### Postgraduate Tuition Fees
- **Engineering**
  - Masters: CNY 33,600
  - PhD: CNY 37,800
- **Business, Management and Humanities**
  - Masters: CNY 30,000
  - PhD: CNY 34,000

### Non-Degree Program Tuition Fees
- **Chinese Language program**
  - Per year: CNY 16,800
- **Foundation Program**
  - Per semester: CNY 9,800

### Charges
- **Application Fee**: CNY 400
- **Accommodation**: CNY 4,000 per year
- **Teaching Materials**: Approx. CNY 400 per year
- **Electricity**: Approx. CNY 800 per year
- **Food**: Approx. CNY 6,000 per year

**Fixed Fee Model**
NUAA adopts the fixed fee model which guarantees that tuition fees remains unchanged throughout the normal duration of study at NUAA (4 years). However, tuition fees for every incoming freshman cohort are subject to change from year to year.
SCHOLARSHIPS

For Undergraduate Programs

Jiangsu Provincial Scholarship
Apply through www.studyinjiangsu.org
Scholarship provided to excellent overseas students to undertake full-time study in China.

(a) Full Scholarship:
- Full Tuition & Accommodation Fee Waiver
- Living Allowance: CNY 1,500/month

(b) Partial Scholarship
- CNY 30,000/year

Nanjing Municipal Government Scholarship
Prospective students are welcome to apply. Application Deadline: September 05, 2018.

- CNY 10,000/year for Bachelor
  (This is a stipend provided as a living expense, students should pay the full tuition fee)

NUAA Freshman Scholarship:
NUAA provides several scholarships to self-financed freshman students. Students will be evaluated during the time of application and the scholarship application will be assessed after the student successfully registers at the university.

- CNY 6,000/year for Bachelor
  (This is a stipend provided as a living expense, students should pay the full tuition fee)

Accommodation Fee Waiver:
Freshman students who register at the university before the registration deadline will be considered for this scholarship. (Duration: freshmen year only)

For Postgraduate Programs (Master's & PhD)

Chinese Government Scholarship
For Postgraduate programs, please apply through http://www.csc.edu.cn/laihua
Application period: January 1 till March 31. (duration: full academic year)

- Full Tuition & Accommodation Fee Waiver
- Living Allowance: CNY 3,000/month (Master)
  CNY 3,500/month (PhD)

Talented Selection Program (TSP) Scholarship:
Please apply through http://www.studyinjiangsu.org. This scholarship is only for freshman year.
Application period: February 1, 2018 - April 30, 2018

1. Tuition Fee and Accommodation Fee Waiver
2. Allowance of CNY 12,000 per year
3. Scholarship Donation: 1 year only

Nanjing Municipal Government Scholarship
Prospective students are welcome to apply. (duration: 1 year) Application Deadline: September 05, 2018

- CNY 25,000/year for Masters & PhD
  (This is a stipend provided as a living expense, students should pay the full tuition fee)

NUAA Postgraduate Scholarship
NUAA provides funding for almost all the self-financed students given that students registers at the university on time on a first come first serve basis.
Application Deadline: September 05, 2018

- CNY 25,000/year for a master’s
- CNY 20,000/year for a PhD

University education is an important step of your life. If you want to be educated in the heart of where knowledge is created—innovations that revolutionize how airplanes are designed, how cars are powered, new software technologies that push the boundaries of International business—then NUAA is for you.

You will learn from top academicians and researchers in China famous for reshaping how the world works and thinks.

POSTGRADUATE PROGRAMS (MASTER’S & PhD)

ENTRY REQUIREMENTS
All applicants must be in good health. Master degree students under the age of 40, a B.S. degree or equivalent qualification. Doctor degree students under the age of 45, a M.S. degree or equivalent qualification. All applicants must be proficient in English and able to take courses in English.

Required documents for application
1. Completed online application (www.studyatnuaa.org)
2. Health Certificate which bears the seal of clinic or hospital should be completed by a medical doctor after a physical examination.
3. Duplicated copies of a notarized diploma or certificate and notarized school certificate transcripts of complete academic records.
4. Two letters of recommendation from teachers or experts or above the level of associate professor.
5. A certificate from the financial guarantor of the applicant.

COURSE STRUCTURE

</tr>
</tbody>
</table>

The postgraduate degree studies include both Coursework, Research and Dissertation. Students generally spend 2 semesters on the coursework, building on the academic theories of their research. The remaining semesters are dedicated to the Research and Dissertation.

HOW TO APPLY?

1. Login to http://studyatnuaa.org
2. Apply online and upload all the required documents.
3. Pay the mandatory application fee of CNY 600 or $75 USD
4. Upload the payment receipt and submit your application.
5. Wait for a response from our admission team.

DEADLINE: 10th Aug, 2018 (for Sep. 2018 intake)

Priority for admission and scholarships are given to those students with IELTS above 6.0 or TOEFL above 80.
You may apply for your Chinese Visa at the Chinese Embassy/Consulate in your home country. When applying for your visa, please remember to bring along with you your valid passport, the original copy of the university’s admission notification and a Visa Application Form for Foreign Students Studying in China (also known as the JW201/JW202 form).

Do make sure that your letter of admission and JW202 form are handed back to you together with your passport after obtaining your Chinese visa. You will need these documents to apply for Residence Permit after your arrival in Nanjing.

International Students who will be studying in China for more than 6 months are required to obtain an ‘X1’ Visa.

1. The ‘X1’ Visa will is only valid for 30 days after your arrival. You must apply for a Residence Permit within these 30 days. You would be otherwise considered as staying illegally and heavily fined.

2. According to Chinese law and regulations, students with visa-free access cannot get any other valid visa within mainland China. PLEASE apply for X1/X2/L visa before you come to China.

It is not advisable to arrive way before the day of registration since you will not be able to apply for a Residence Permit prior to registration.

International Students studying in China for less than 6 months may apply for ‘X2’ Visa.

RESIDENCE REGISTRATION

Students should register their address at local police station within 24 hour of arrival and apply within thirty days of arrival for the residency permit to the local police authority. You can also register your residency online on Nanjing Police official Wechat account. (Wechat ID: NJgongan).

Please bring your passport and address (copy of contract of renting an apartment if staying off campus) in Nanjing and register at the local police station.

SPORTS & RECREATION

We believe that extra-curricular activities are equally vital for healthy life and right mindset for a diverse population of students, faculties and staffs. NUAA possesses state of the art facilities to support this idea.

- 4 International Standard Football Fields
- Tennis Courts
- Basketball Courts
- Gymnasium
- Indoor Swimming Pool
- Indoor Badminton Courts
- Volleyball and Beach Volleyball Courts
- Outdoor Adventure Center
- Rock Climbing wall

International students can take full advantage of the numerous students club and activities.
Coming to study in China is an exciting experience, with opportunities to broaden your academic, social and cultural horizons. The International Student Support office aims to offer you a high level of support to ensure that your time with us is as rewarding and problem-free as possible.

We will help you prepare to come to Nanjing, welcome you when you arrive and support you throughout your time at NUAA.

We can offer advice and guidance on a range of issues including:

- Immigration and visa advice.
- General support and advice related to living in China.
- Specific events for international students as part of the university’s induction program, as well as social events throughout the year.
- Program of day trips to various places across the country to enable you to make the most of your time in China.

**Nanjing City**

Nanjing is the capital of Jiangsu province and second largest city in eastern China after Shanghai. Nanjing was one of the earliest established cities in 495 BC in China. It was the national capital during part of the Ming dynasty and in the 20th century, the Republic of China. Many monuments and landmarks remain, including Zhonghuamen (Gate of China), a preserved 14th-century section of the massive city wall (longest city wall in the world).

Today, with a long cultural tradition and strong support from local educational institutions, Nanjing is commonly viewed as a “city of culture” and one of the more pleasant cities to live in China.

Nanjing has long been a national center of education, research, transport networks and tourism. It was the host city of the 2014 Summer Youth Olympics.

**Climate**

Nanjing has a humid subtropical climate with plenty of rainfall. The four seasons are distinct in Nanjing, with hot summers and cold winters. The spring is warm and humid, and the rainy season falls on June and July.

**Summer**
June to September
Hot and Humid.
Temperature ranging from 30 to 40°C

**Autumn/Fall**
October to November
Slightly chilly during morning and evenings

**Winter**
December to February
Cold and wet with occasional snow

**Spring**
March to May
Humid with changing temperatures
SUN YAT-SEN MAUSOLEUM
One of the highlights in Nanjing is Dr. Sun Yat-sen’s Mausoleum, which is located on the north slope of the second peak of Zhongshan Mountain.

FUZIMIAO (CONFUCIUS TEMPLE)
Located on the banks of Qinghuai River. Within the area are cultural attractions, arts, shopping, and entertainment. Indulge yourself in the life style of ancient China.

MAKE FRIENDS WITH LOCAL RESIDENTS
Chinese people are very friendly and hospitable. There is a good chance you will be invited for celebrating and experiencing Chinese New Year with your Chinese friends or local residents.

FUZIMIAO
Located on the banks of Qinghuai River. Within the area are cultural attractions, arts, shopping, and entertainment. Indulge yourself in the life style of ancient China.

XINJIEKOU
The Central Business District CBD of Nanjing, from high-end luxury brands to bargain shopping at “Fashion Lady”, Xinjiekou has something for everyone.
